2. Chair of the Board of Directors

The Board of Directors shall appoint an individual from among their number to act as Chair. The main role of the Chair is to chair meetings of the Board of Directors. He or she also provides leadership to the Directors and acts as the main point of contact between the Directors and the Leadership Group.

Apart from any special responsibilities or powers given to the Chair in the Articles of Association (e.g. the right to chair meetings of the Board of Directors and to have a second or casting vote in any case of an equality of votes at a meeting of the Board of Directors), the Chair has no special powers or rights over any other Trustee. If the Chair is to carry out certain specific functions (for example, the power to approve an overspend in a certain area of the budget or the CEO's appraisal) then this must be expressly delegated to him by the Board of Directors.

3. Meetings of Trustees

There will be a minimum of three meetings of the Board of Directors each academic year. Meetings of the Trustees shall be convened and conducted as provided by the Articles. In determining the agenda for Board of Directors meetings and Committee meetings, the directors will have regard to the requirement on them to:

- Ensure the effective academic performance and the overall standard of education provided by the Trust and the schools within it.
- Ensure the effective safeguarding of all children, young people and adults associated with the Trust.

 - Complying with the Funding Agreement and the current version of the Academy Trust Handbook (or successor documents);
 - Receiving and consider information on financial performance at least three times a year; and
 - Taking appropriate action to ensure ongoing viability against agreed budgets.

In consultation with the Chair, the Governance professional to the Trust Board shall prepare an annual plan for the meetings of the Trustees.

The Trustees are responsible for the governance and supervision of the Academy Trust and its committees. They have a number of duties and responsibilities relating to the governance of the Academy Trust and its finances. In summary, the Directors are responsible for:

- Establishing the vision, mission and values for the Academy Trust;
- Carrying on the Academy Trust in accordance with the objects of the Academy Trust as set out in the Articles of Association and safeguarding the assets of the Academy Trust;
- Designing strategy and structure for the operation of the Academy Trust;

- Setting standards of conduct and values, monitoring performance and the achievement of objectives, and ensuring that plans for improvement are acted upon;
- Risk management, that is identifying, quantifying and devising systems to minimise the major risks affecting the Academy Trust. The Trustees will review the Risk Register at least annually;
- Ensuring the Academy Trust and its Academies/Settings are conducted in compliance with the data protection and general law.

4. Delegation of Power of Directors

Directorship is a personal office of trust and responsibility and this cannot be transferred to another individual. However, in order to ensure the proper management of its Academies/Settings, the Directors are able to delegate specific tasks to assist them in carrying out their duties and obligations.

It is for the Board of Directors to determine what decisions it will take for itself, what will be delegated to committees, working groups or individual directors (e.g. the Chair) and what will be delegated to the Leadership Group. The Directors must also consider when and from whom they should take professional advice.

In determining whether delegation is appropriate, the Directors will have regard to the following principles:

- Non-executive powers must be exercised by the Directors personally and may not be delegated;
- Executive powers should be delegated to the Chief Executive Officer and Directors of Finance, except when it is impracticable to do so, who may authorise further delegation.
- Every act of delegation is only a delegation of powers and does not relieve the Directors of responsibility.

The process of delegation is outlined in the Scheme of Delegation and includes delegation to a number of functionaries. The Trust Board will routinely delegate to 3 executive committees to fulfil its responsibilities:

Finance and personnel committee – overall responsibility for financial management and setting of budgets.

Audit and Risk Committee committee – Responsibility for personnel management and recruitment of staff and premises management including Health and Safety and safeguarding.

Standards and curriculum committee – responsibility for setting standards and monitoring performance (pupil and staff) across the Trust: intervening where necessary and appropriate to do so. Ensuring the regular and special needs of all children are met to deliver the Trust aims for every child.

All committees shall meet as often as required and at least 3 times per year.

In addition, the Board may choose to delegate to;

- Any other committee so deemed necessary by the Board
- The CEO
- The Leadership Group (which in turn may delegate to further individuals).
- Any individual Director.
