Dear Parents/Carers,

Coronavirus (COVID-19) - Plans for School Closure Continued open service for key workers and front line emergency staff children

Today's guidance from the Government means we can confirm that all three phases of the school will be closed from; the end of the school day on Friday 20th March 2020. School will remain open for all pupils tomorrow, Thursday 19th and Friday 20th March, and will remain closed for Year 7, 8 & 9.

Following Prime Minister Boris Johnson's announcement, schools will remain open as usual for vulnerable children and students/pupils whose parents are front line key workers and those working for the NHS or emergency services.

At this time we will include all and any workers essentially supporting supply chains, working with the emergency services or armed forces. This includes all those deemed as pivotal in supporting the government's efforts to provide essential public services in response to the Coronavirus COVID-19 outbreak.

If this applies to your child please inform us as soon as possible by completing the link below:

We await further guidance on what this means for those who were scheduled to sit exams this year, in Year 6, 11 and 13. We will continue to ensure that any recording of their attainment and progress reflects the hard work and achievements made this year.

Over the next two days you will receive further information on home learning provision from individual phases. We will also be preparing your child to better understand how they can access these online platforms from home.

We would like to take this opportunity to thank you for your continuous support during this unprecedented time.

Yours sincerely,

Mr R S Sandhu
